

## ASD Billing Cycle and Tuition 2020-2021 Season

Payment for lessons is due every month on or before the 15th of each month.

For the month of September, tuition will be due the first week of classes.

Our tuition is based on the yearly cost of lessons, not classes per month.

To make things easier, we have broken it up into 9 monthly payments.

The yearly tuition is firm regardless of how many weeks are in a given month, snow days or if you choose to take a vacation. If you would like to pay your yearly tuition in full, a 5% discount will be taken off your total yearly tuition. This option is available through 10/15/20.

**Registration Fee:** \$25.00 Single Student Fee/\$35.00 Family Fee (Non-Refundable)

### Virtual Learning:

When registering for Virtual Learning Only classes, we will NOT be including your dancer as a “box” holder in the classroom. All classes are attended virtually. If a student wishes to transition back to in-person classes, please let us know. Pricing will change accordingly.

If by chance, we are forced back into quarantine due to COVID-19, the studio will automatically switch to Zoom classes. Once registered for classes, you will receive your day/time of class as well as a Zoom meeting id and password for each class. Tuition will still be due as classes will still be held at normal day/time via Zoom until we are able to reopen. However, class rates will switch to virtual learning pricing. (This may be subject to change based on unforeseen circumstances)

## **Payment Policies:**

At this time we accept personal checks and cash for in person classes. For our Virtual Learning Only dancers, Venmo will also be accepted.

Due to Covid-19, prices have slightly increased. This increase is to accommodate all of the new requirements to social distance and safely instruct and train our dancers. (Examples: the increase in cost of cleaning supplies and cleaners. The new program for account retrieval and communication. The installation of an Ionizer air cleaning system for the safety of our dancers and staff. )

Any returned checks are subject to a \$30.00 service charge as well as any other additional fees the studio may occur.

If paying tuition in monthly payments, all payments should be received by the 15th of each month. As of the 16th of the month, a \$15.00 accumulative late fee will automatically be applied to your bill, regardless the day of the week the 15th falls on.

Accounts more than 30 days past due, will result in your dancer being unable to participate in class until the account is brought current.

## **Costume Fees:**

Below are the base fees charged for costumes. Any additional costs related to costumes will be applied after the costume is complete. We do our best to keep any overages for costumes to a minimum.

**Toddler/Intensive**-\$65.00/class

**Recreational Classes**- \$70.00/class

**Competitive Classes**-\$80.00/class

Costumes will come with tights unless they are not required for the costume. The fee above does not include shoes required for the class.

## **The Costume Fee is broken up into 2 payments.**

1st payment due on or before- 10/30/20

2nd payment due on or before- 11/30/20

**NEW!** All costumes that are not paid in full by December 1st, will receive a \$10.00 late fee per costume. Costumes will be ordered within the next two weeks. Unfortunately, if the costume fee is not paid by December 15th, we cannot guarantee that we will be able to receive your costume in time for competition/ ASD Showcase. If we are able to still order them and receive on time, there may be additional charges added for express shipping and processing.

It is unfortunate that this policy has changed, however, we have ordered costumes with unpaid costume accounts and have been stuck with the costumes and costs in previous years.

\*Due to Covid-19, we are going to try to utilize as much choreography and as many costumes from the 2019-2020 season as possible.

## **ASD Showcase:**

All ASD Showcase information and fees will be determined at a later date.
